Member Registration Form

SCMBC has formed to represent the mountain bike community in Simcoe County. We are a non-profit organization whose mission is to preserve and enhance mountain bike trails in Simcoe County and advocate for the sport. The SCMBC has established a partnership with Simcoe County to secure access to County lands through land-use agreements. SCMBC also provides third-party liability insurance to members and trail users.

Your annual membership support covers the cost of insurance and helps to maintain and develop new mountain bike trails in Simcoe County. With your membership purchase you will receive a "bike tag" to be attached to your bike and visibly displayed. Please register as one of the following:

Single Membership: Please register as a single member and pay your annual fee if you are over 18 years of age as of the opening date of registration. One membership tag will be mailed to your address.

Youth Membership: If you are less than 18 years of age as of the opening date of registration your membership is free of charge. Youth registrants will receive a bike tag.

Family Membership: If you have multiple trail users at the same address please add their names and date of birth to this registration form and we will enclose multiple tags in one envelope. This saves money and effort that can be used for trail building.

You can register on-line through the SCMBC website or by completing this form and including membership fee of \$40 cash or cheque payable to the **Simcoe County Mountain Bike Club** per adult registrant. Registration can be mailed to the above address along with the waiver.
